Our Guiding Principles

People are the foundation of our business. From the newest employees to senior management at company-owned or independently franchised restaurants, employees are offered the tools and opportunities to succeed. Our determination to foster a safe, respectful, and inclusive environment that educates, empowers and encourages people of every age, background, and culture, provides the strategic framework around which we focus our people efforts. It will permit us to attract, retain and grow the best talent – which is what we need to run great restaurants.
